Besides the church, Susie Pearl loved the outdoors. She never saw a flower or plant she didn't love. She was especially fond of roses, African violets, gardenias and azaleas. Susie Pearl and her husband, Thomas, shared many hours each week in their flower bed. Susie Pearl continued to work her flower beds for many years until she was not physically able.

Once she was no longer able to enjoy the outside work of tending her garden, reading the Bible, watching game shows and working puzzles became her passion.

Susie Pearl was always Fashion savvy. Her favorite colors were beige and brown. She was known for her collection of church hats. She felt a woman should always cover her head in the sanctuary of the church. The only two occasions she entered the church sanctuary without a hat was to serve as an usher or serve Communion.

Susie Pearl is now reunited with her beloved husband, Thomas; mother, Mamie Moon; sister-in-law{adopted daughter},Theresa Green and other close relatives and friends. God has rewarded Susie Pearl with her hat of glory and wings for her passion of family, children and church family.....a job well done thou good and faithful servant.
